**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL
STATEMENTS TO THE SHAREHOLDERS OF THEEB RENT A CAR COMPANY
(A SAUDI JOINT STOCK COMPANY)**

Introduction

We have reviewed the accompanying interim condensed statement of financial position of Theeb Rent a Car Company ("the Company") as at 30 June 2023 and the related interim condensed statement of comprehensive income for the three-month and six-month periods ended 30 June 2023, and the related interim condensed statements of changes in shareholders' equity and cash flows for the six-month period then ended, and explanatory notes. Board of Directors are responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

Theeb Rent a Car Company (A Saudi Joint Stock Company)

NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS (UNAUDITED)

30 June 2023

1. CORPORATE INFORMATION AND ACTIVITIES

Theeb Rent a Car Company (the “Company”) is a Joint Stock Company registered in the Kingdom of Saudi Arabia under commercial registration number 1010150661 dated 12 Rabi Thani 1419H (corresponding to 6 August 1998). The Company is engaged in car rental and leasing as per license numbered 010102000200 issued by the Ministry of Transportation in the Kingdom of Saudi Arabia.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION

These interim condensed financial statements for the three-month and six-month periods ended 30 June 2023 have been prepared in accordance with International Accounting Standard 34 ‘Interim Financial Reporting’ (“IAS 34”) as endorsed in the Kingdom of Saudi Arabia (“KSA”) and other standards and pronouncements that are issued by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”). The Company has prepared the financial statements on the basis that it will continue to operate as a going concern. Management considers that there are no material uncertainties that may cast significant doubt over this assumption. Management has formed a judgement that there is a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future, and not less than 12 months from the end of the reporting period.

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements and should therefore be read in conjunction with the Company’s annual financial statements for the year ended 31 December 2022. In addition, results for the three-month and six-month periods ended 30 June 2023 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2023.

The interim condensed financial statements are presented in Saudi Riyals (“SR”), which is the functional and presentation currency of the Company.

The interim condensed financial statements have been prepared on a historical cost basis, except for derivative financial instruments, which are measured at fair value.

2.2 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS ADOPTED BY THE COMPANY

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the Company’s annual financial statements for the year ended 31 December 2022, except for the adoption of new standards effective as of 1 January 2023. The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

Several amendments apply for the first time in 2023, but do not have an impact on the interim condensed financial statements of the Company.

IFRS 17 Insurance Contracts

In May 2017, the IASB issued IFRS 17 Insurance Contracts, a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. IFRS 17 replaces IFRS 4 Insurance Contracts that was issued in 2005. IFRS 17 applies to all types of insurance contracts (i.e., life, non-life, direct insurance and re-insurance), regardless of the type of entities that issue them, as well as to certain guarantees and financial instruments with discretionary participation features; a few scope exceptions will apply. The overall objective of IFRS 17 is to provide an accounting model for insurance contracts that is more useful and consistent for insurers. In contrast to the requirements in IFRS 4, which are largely based on grandfathering previous local accounting policies, IFRS 17 provides a comprehensive model for insurance contracts, covering all relevant accounting aspects. IFRS 17 is based on a general model, supplemented by:

- A specific adaptation for contracts with direct participation features (the variable fee approach)
- A simplified approach (the premium allocation approach) mainly for short-duration contracts

The amendments had no impact on the Company’s interim condensed financial statements.

30 June 2023

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES (continued)

2.2 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS ADOPTED BY THE COMPANY (continued)

Definition of Accounting Estimates - Amendments to IAS 8

The amendments to IAS 8 clarify the distinction between changes in accounting estimates, and changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates.

The amendments had no impact on the Company's interim condensed financial statements.

Disclosure of Accounting Policies - Amendments to IAS 1 and IFRS Practice Statement 2

The amendments to IAS 1 and IFRS Practice Statement 2 Making Materiality Judgements provide guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments had no impact on the Company's interim condensed financial statements but are expected to affect the accounting policy disclosures in the Company's annual financial statements.

Deferred Tax related to Assets and Liabilities arising from a Single Transaction – Amendments to IAS 12

The amendments to IAS 12 Income Tax narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities.

The amendments had no impact on the Company's interim condensed financial statements.

3. ZAKAT

Charge for the period

Zakat charged for the three-month and six-month periods ended 30 June 2023 amounted to SR 3,800,000 and SR 7,847,324 respectively (three-month and six-month periods ended 30 June 2022: SR 3,374,473 and SR 6,430,008 respectively).

Movement in provision during the period/year

The Movement in zakat provision was as follows:

	30 June 2023 (Unaudited) SR	31 December 2022 (Audited) SR
At the beginning of the period/year	24,718,383	20,946,003

3. ZAKAT (continued)

Zakat of assessments

- As of the date of issuance of these interim condensed financial statements, the Company has filed its zakat returns and financial statements to the Zakat, Tax and Customs Authority ("ZATCA") for all years up to 31 December 2022 and obtained zakat certificate for those years.
- The Company finalized its zakat position with ZATCA for all years up to 2011.
- During the year ended 31 December 2019, ZATCA has issued a letter showing zakat differences of SR 13,903,441 for the years from 2012 up to 2017. The Company has made an additional provision of SR 11,743,218, during the year ended 31 December 2019, against these zakat claims for such period and filed an appeal to the Tax Violations and Dispute Appellate Committee against these differences which is in progress. Management believes that the current provision as set out above is adequate.
- During the year ended 31 December 2020, the Company received from ZATCA a preliminary assessment showing zakat differences for the year 2018 of SR 4,014,060, and the Company has made a provision for the full amount. Based on the clarifications provided by the Company to ZATCA, ZATCA had issued an amendment and reduced the differences to SR 1,785,077, accordingly, the Company reversed the excess provision in the statement of comprehensive income for the year ended 31 December 2020. Further, the Company filed an appeal to the Tax Violations and Dispute Appellate Committee (TVDAC) against these differences which is in progress.
- During the year ended 31 December 2021, management received a correspondence from ZATCA, regarding the previous ownership of shares by Growth Opportunities Company for Trading, one of the former shareholders in the Company, that there are certain possible taxes on the Company. ZATCA's view based on certain assumptions, is that the Company is partially subject to income tax. In the above-mentioned correspondence, ZATCA assumed that the above-mentioned former shareholder is fully owned directly or indirectly by non-GCC nationals and accordingly, the total amount of income tax exposure as stated by ZATCA is SR 29.76 million for income tax and withholding tax exposure was set out by ZATCA at SR 3.94 million, covering the years from 2013 to 2018 and are excluding delay and other related fines. As at the date of the approval of these interim condensed financial statements by the Board of Directors, no official assessment has been received from ZATCA. Additional potential exposure for the year ended 31 December 2019, 2020 and for the period from 1 January 2021 to date of disposition of the former shareholders' shares could arise if ZATCA imposes the above-mentioned principle to all assessment years.

The Company is currently registered with ZATCA as a 100% zakat able company on the basis of its ownership structure with all direct and indirect shareholders being either GCC nationals, or companies that were established within the GCC and whose shareholders consist wholly of GCC nationals. Further, dividends distributions to the above-mentioned former shareholder, in management view, are not subject to withholding tax as it is a resident company in the Kingdom of Saudi Arabia (as a Saudi limited liability company on the basis of the incorporation documents).

During January 2021, the Company has replied to ZATCA after receiving the correspondence and no response was received since then. Moreover, in case of any imposed position by ZATCA, in addition to any relevant fines and delay penalties, the above-mentioned former shareholder has provided to the Company an indemnity undertaking letter to bear any tax related liability that might be imposed on the Company by ZATCA in connection with the above matter. Therefore, in the light of the information currently available and the indemnity undertaking letter from the above-mentioned former shareholder, the management is of the view that it is highly unlikely that there will be any material exposure for the Company in connection with the above communication received from ZATCA.
